CHILD CARE FACILITIES

Open with restrictions

cover for ill or quarantined staff

This allows additional facilities to open or expand as increased workforce returns.

WORKSPACES	EMPLOYEES	TO PROTECT CHILDREN/PARENTS
 Prioritize care for children of essential workers / parents returning to work / job seekers Keep group size per room under 10 children Keep groups of children together with same staff when possible Conduct daily temperature checks and monitor symptoms in employees and students and any person entering the building. Refer symptomatic employees to the CDPHE Symptom Tracker. (Additional Guidance) Require handwashing upon arrival and enable handwashing throughout the day Limit the number of child-staff and child-child interaction in common spaces as much as possible (e.g. playground equipment, hallways, etc.) Encourage 6-foot distancing and, where possible, implement distancing systems while learning Stagger meal times (if normally done in a large group) and encourage individual meals (no family-style dining) Sanitize all high-touch areas at start and end of the day and, when possible, throughout the day (Additional Guidance) Limit the toys in use to those that are easily cleanable, non-porous, with smooth surfaces and eliminate soft, fabric toys, dress-up clothing, sensory tables and water play 	 Require use of face coverings or masks (preferred medical grade if available, otherwise cloth) (Additional Guidance) Provide guidance and encouragement on maintaining 6-foot distancing Provide guidance and encouragement on frequent handwashing Provide training to all staff specific to all issues in the public health order Require staff to stay home when showing any symptoms or signs of sickness Provide all staff with support and referrals for their mental health needs Licensed and license-exempt child care centers Licensed and license-exempt In-home child care This section does not include: Summer camps Public preschool on public school campuses 	 Implement curbside pick-up and drop-off only Implement alternative child check-in and check-out procedures that minimize parent touching of shared items (pens, paper, etc.) Require parents to keep children home when showing any symptoms or signs of sickness Encourage parents to take their children's temperature prior to bringing them to child care Provide face coverings or masks for children age 3+ per current CDPHE guidance, no face coverings or masks from children during naps and place nap mats 6 feet apart Provide frequent communication with all families of enrolled children specific to all issues in the public health order Additional resources and guidelines: Face Covering Guidance for Child Care Operations during COVID-19 Response
